

ACHAL S BHARADWAJ

Aspiring **junior Developer** passionate about building scalable and user-friendly software solutions, with a strong foundation in **web development** and growing expertise in **full-stack** and **AI** technologies.

EDUCATION

DAYANANDA SAGAR UNIVERSITY, Bengaluru

B.Tech- Computer Science Engineering

Grad. May 2025 (pursuing)

CGPA (till 6th sem): **7.62**

MAHARISHI VIDYA MANDIR, Hosur

Class 12- PCM with Computer Science

Grad. July 2021

Score: **90.60%**

MAHARISHI VIDYA MANDIR, Hosur

Class 10

Grad. May 2019

Score: **85.60%**

PROJECTS

[Booking a Table at Restaurant](#) | front-end (UI/UX)

Built a single-page app using **React.js** and **React Router**, focusing on easy navigation and design. Created pages like **Home**, **Bookings**, **Confirmed Booking**, and **404 Not Found**, with placeholders for under-construction sections.

[Event Management Dashboard](#) | full-stack Development

Developed a full-stack web application for efficient event, attendee, and task management using **React.js** and **MongoDB**. Implemented robust **RESTful APIs** with **Express.js**, enabling seamless data handling and integration. Designed a responsive and intuitive **UI** for **CRUD** operations.

[Together Travel Tracker](#) | full-stack Development

Developed a full-stack web application for group travel logging and tracking using **Express.js** and **PostgreSQL**. Implemented real-time updates, robust **error handling**, and ensured high **data integrity** through **asynchronous routes** improving data integrity and issue resolution time.

TECHNICAL SKILLS

Languages:

- HTML, CSS, JavaScript (**Frontend & Backend**)
- Python

Frameworks & Libraries:

- **ReactJS**, **NodeJS**, **ExpressJS**, **jQuery**, **Tailwind CSS**, **Bootstrap (UI/UX)**.
- **TensorFlow**, **NumPy**, **OpenCV**, **Tkinter**.

Databases & APIs:

- **SQL** (PostgreSQL, MySQL), **NoSQL** (MongoDB)
- **RESTful APIs**, **OAuth**

Tools & Software:

- **Git**, **GitHub**, **Figma**(UI/UX).
- **VS code**, **Atom**

SOFT SKILLS

- Growth mindset
- Emotional intelligence
- Focus mastery
- Communication skills
- Culture Awareness

LANGUAGES

English, Hindi, Kannada, Tamil
